Starmer to probe leak of report

LABOUR leader Sir Keir Starmer has launched an urgent inquiry into the leak of a bombshell report that has sparked a fresh party row.

The report concluded “factional hostility” towards former leader Jeremy Corbyn amongst ex-senior officials contributed to “a litany of mistakes” that hindered the handling of anti-semitism allegations.

Sir Keir (*above*) said the inquiry will look at why it was commissioned, its contents, and how it came into the public domain.

The Campaign Against Anti-Semitism said the report was leaked as an attempt to “smear whistleblowers”.

It is understood the document is a draft drawn up to help the party’s respond to an investigation by the Equality and Human Rights Commission.

The watchdog launched a probe into anti-Semitism within Labour in May 2019.

Open and shut case for Next

THE Next website had to stop taking orders just hours after it reopened in a limited way following a three-week break.

The retailer said that demand had exceeded capacity by about 8.30am and the site will be closed until today.

The fashion retailer had stopped taking orders on March 26 and closed its High Street stores on March 23, a day before the UK went into lockdown.

But it reopened online yesterday after Next said it had strengthened social distancing measures at its warehouses.

Potty North Korean dictator risks war as he fires off deadly cruise missiles

MADMAN: Kim Jong-Un is gearing up for a war

WITH the world already on the brink of collapse due to the coronavirus, tubby tyrant Kim Jong-Un is adding to international woe by letting off killer CRUISE MISSILES.

A barrage of North Korean missiles fired from both the ground and fighter jets splashed down in waters off the country’s east coast on yesterday, accordiong to South Korea’s military.

The exercise was a show of force on the eve of a key state anniversary in the North and parliamentary elections in the rival South.

tests that North Korea has conducted recently amid stalled nuclear talks.

North Korean troops based in the eastern coastal city of Munchon first launched several projectiles – presumed to be cruise missiles – yesterday morning, South Korea’s Joint Chiefs of Staff said in a statement.

The weapons flew more than 93 miles off the North’s east coast. It was the North’s first cruise missile launch since June 2017.

Later, North Korea launched several Sukhoi-class fighter jets that fired a number of air-to-surface missiles toward the North’s eastern waters, the defence officials said, adding that North Korea has recently appeared to be resuming its military drills that it had scaled back due to concerns about the pandemic.

Other fighter jets also flew on patrol near the border with China on Tuesday.

In recent weeks, North Korea has test-launched a variety of missiles and other weapons amid deadlocked nuclear negotiations with the United States.

Yesterday’s launches came a day before North Korea marks the 108th birthday of North Korea’s late founder, Kim Il Sung, the grandfather of the current leader.

Some experts say North Korea likely used the latest weapons launches to bolster its striking capability against the South, which has been introducing U.S.-made stealth F-35 jets and other sophisticated conventional weapons systems in recent years.

Others say that the blobby cheese-loving dictator is simply “being a twat”.

FOREST INFERNO YARDS FROM CHERNOBYL NUCLEAR WRECK

Radiation soars in huge wildfire

HUGE forest fires are threatening to engulf the site of the Chernobyl nuclear disaster and hundreds of firefighters backed by aircraft are battling to keep the flames from the stricken site.

At the scene, tour operator Yaroslav Emelianenko said one blaze had reached the abandoned town of Pripyat, which used to serve the plant, and that the flames were now just a few hundred yards from where the most dangerous waste from the plant was stored.

Greenpeace said the fires were bigger than the authorities realised.

Police said the fire had been burning since the weekend of April 4, after a man set fire to dry grass near the exclusion zone. It has since moved closer to the nuclear plant.

There are fears that if the blaze reaches the wreckage of the site, radioactive debris that litters the area could be swept up into the atmosphere, causing a deadly plume to sweep across Europe again.

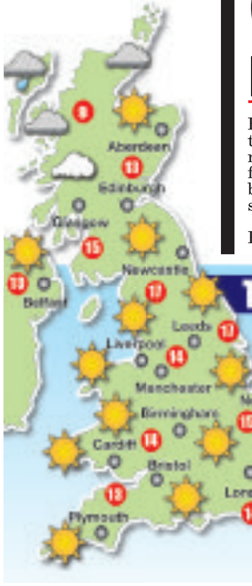
A similar plume after the 1986 disaster caused widespread panic.

DISASTER ZONE: Now radiation could sweep over Europe again

Over 300 firefighters are reportedly working at the site, while six helicopters and planes are attempting to extinguish the fire from above.

Activists have warned the blazes were getting dangerously close to waste storage facilities.

A member of the public council under the state agency in charge of the closed zone around the plant said on Facebook: “The situation is critical.”



TODAY'S WEATHER

HIGH pressure will continue to bring dry conditions today, with warm sun for most.

North-west Scotland will remain mostly cloudy with some patchy rain.

Temperatures of 14C in London, Cardiff and Manchester, 13C in Belfast and Edinburgh.

Tomorrow will also be dry and sunny.

THREE-DAY WEATHER OUTLOOK

FRI:	SAT:	SUN:
CLOUDY	FAIR	NOT BAD

Eastern Scotland will be cloudier, though, and showers could push south-west later.

Temperatures of 17C in London, 16C in Cardiff, 17C in Manchester, 12C in Belfast and Edinburgh.

OUTLOOK: Mixed bag.

30 dead as storms hit U.S. states

SEVERE weather has swept across several southern U.S. states, killing more than 30 people and leaving more than one million homes and businesses without power amid floods and mudslides.

In Alabama, people seeking shelter from tornadoes huddled in community shelters, protective masks covering their faces to guard against the coronavirus.

A tornado demolished a Mississippi home save for a concrete room where a couple and their children survived, but 11 others died in the state.

Nine died in South Carolina and eight were killed in Georgia, where a twister lifted a house, mostly intact, and deposited it in the middle of a road.

Tennessee officials said three people were killed in and around Chattanooga, and others died under falling trees or inside collapsed buildings in Arkansas and North Carolina.

Striking first on Easter Sunday, storms blew onward through the night, causing flooding and mudslides, felling trees and knocking out electricity for nearly 1.3million people in a path from Texas to Maine.

One in nine delay their mortgages

ONE in nine mortgage holders in the UK has taken a “payment holiday” as their finances have been hit by the effects of coronavirus.

Lenders have agreed that 1.2m homeowners can delay repayments as jobs are cut and wages reduced.

Typically, this defers a mortgage bill of £775 a month, with borrowers given the option of delaying up to three months of repayments.

More are likely to take up the option, which should not affect credit ratings.

Many frustrated mortgage holders have struggled to get through to their lender as phone lines have been so busy, leaving banks – who face staffing pressures – to prioritise the vulnerable.

UK Finance, which represents banks and which compiled the figures, said payment holidays were best organised, if possible, by filling in a form provided online by most lenders.

Deferrals do not mean the bills are cancelled, as they will still need to be paid at a later date.

MAYBE I'M A BIT LESBIAN!

BUSTIN' TO CONFESS: Chloe and Charlotte *(below)* had brief fling

Geordie Chloe talks of her MINGE LUST

***GEORDIE* Shore stunna Chloe Ferry says she could be "a bit" of a lesbian.**

Asked if she was bisexual, the reality TV star replied: "I think so! I started looking at girls in a different way now – maybe I am a bit lesbian."

And she confessed: "I'm talking to one girl I really fancy."

By GRACE HOOPER
news@sundaysport.co.uk

When she received a similar question, Chloe elaborated: "I've had a few encounters with the same sex but didn't think anything of it at the time – but started to think differently when I was in Thailand.

Sex

"So girls slide into my dms."

Chloe revealed in 2017 that she'd had a brief relationship with fellow *Geordie Shore* cast member Charlotte Crosby.

"I tried having a relationship with a girl for two days, but when I tried to have sex with her I realised I didn't like it," she explained at the time.

A lot of notable figures opened up about their sexuality last week.

Viral sensation Rebecca Black also came out, saying: "It's something the past few years I've obviously been having a lot of conversations with myself.

"I think to me the word 'queer' feels really nice. I've dated a lot of different types of people.

"I don't really know what the future holds. "

Ofcom probes Eamonn over 5G comments

EAMONN Holmes has sparked over 400 complaints with comments he made about 5G tech and coronavirus, which TV watchdog Ofcom says it will assess as a "priority".

The *This Morning* co-presenter, 60, was criticised by scientists and viewers for remarks he made on the ITV show.

Holmes, 60, weighed in after presenter Alice Beer branded the conspiracy theories "ridiculous" and "incredibly stupid".

Holmes responded that "it's very easy to say it is not true because it suits the state narrative".

He told Beer: "...what I don't accept is mainstream media immediately slapping that down as not true when they don't know it's not true.

"It's very easy to say it is not true because it suits the state narrative."

'Killer' prof – Set me free to help find cure

A BOFFIN charged with the murder of his boyfriend has asked to be released from custody so his research skills could be used in the battle against COVID-19.

Professor Wyndham Lathem asked a judge to be freed on bail saying his academic knowledge could be useful and health issues put him at greater risk if he contracted the coronavirus.

Microbiologist Lathem is accused in the 2017 stabbing of Trenton Cornell-Duranleau.

A judge turned down his request.

Lathem's alleged accomplice, Andrew Warren, pleaded guilty last year in a deal that calls for him to testify against the 45-year-old professor of Evanston, Illinois, who has pleaded not guilty.

Wrestling gets OK to carry on as it's essential

YANK officials have classed WRESTLING as an "essential business" – allowing it to carry on operating despite the lockdown.

WWE was given the status in Florida, Orange County Mayor Jerry Demings said.

The revision allows the company to resume live television shows from its Orlando training facility.

The decision, outlined in a memo from Governor Ron DeSantis' office, could open the door for other sports to resume in the state.

According to Demings, WWE initially was not designated as essential and therefore was not exempt from the state's lockdown order, which runs till at least April 30.

That decision was reversed after "some conversation" with DeSantis' office, Mayor Demings said.

ISOLATION GETS ON MY TITS!

Woman dances nude on cop car

LOOKS like the lockdown is getting all too much for this woman – who couldn't wait to get matters off her chest, and other parts.

Concerned neighbours called the police after they saw the 41-year-old running nude in the street during Spain's daily clap for medics, as the country continues to battle the pandemic.

The woman was detained TWICE for violating strict coronavirus lockdown conditions after stripping naked in the street and jumping on a police car.

She was dragged down and arrested shortly after and hauled before a judge, with police persuading her to put some clothes on.

Testing

After being released, she immediately took off her clothes again and in footage shared online, she can be seen once again climbing on top of a police car and putting her hands up in the air.

The footage then focuses on her confronting three police officers as she resists arrest before being pushed down and handcuffed.

The woman spat at one of the Policia Nacional agents before being taken to hospital for mental health testing.

A witness said: "She may be a bit loony but I know how she feels – this lockdown's been going on for weeks and it's getting all of our tits!"

LOCKDOWN BRUTES RAPE FOOTBALL STAR'S COW

PRAYING: Miguel Borja

ABUSED: Thugs had sex with star's cow

A TOP footballer claims his cow was a victim of a drugs-fuelled gang-rape.

Striker Miguel Borja, 27, took to Facebook to report the vile violation of his beast.

Borja, playing on loan for Colombian champions Junior, said the attack took place due to the lawlessness apparent during the current coronavirus lockdown.

The Palmeiras player blasted the "people responsible", saying: "Some guys raped my cow days ago. They abused her and left her lying on the ground.

By ROY DURRIDGE
neil@sundaysport.co.uk

"I believe in God, and I pray for her to recover. I also hope God will punish the people responsible."

He added: "This cow was raped and abused some days ago by a group of young guys who are consuming drugs and thinking they are the kings of this region.

"This has to change now – they need to find Jesus and use the time to do something more productive.

"Please parents, keep an eye on your children."

A fan offered his sympathy to the star, adding: "There's a lot of this sort of thing going on right now here in Colombia.

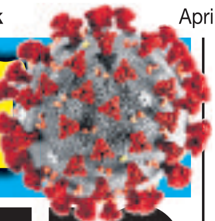
"Bored druggies who can't see their girlfriends are just wandering about shagging anything that moves, and cows are as good a shag as anything.

"Not that I'd know, you understand, it's just what I've heard.

"Anyway, what's a footballer doing with a cow? Shouldn't he be crashing a bloody Ferrari, or something?"

Borja made a name for himself in the second division of Colombia's league, often being referred to as a "fast" and a "complete goalscorer".

Borja, of Barranquilla, was included in Colombia's 23-man squad for the 2018 World Cup in Russia, making a substitute appearance in the group stage match against Senegal.



TRUMP VIRUS DRUG 'COULD KILL YOU STONE DEAD'

RIFT: Trump and disease expert Fauci

CIA warns its spies not to take pill

SPIES have been warned against taking an anti-malaria drug hailed by Donald Trump as a 'game changer' in the war on coronavirus.

Sudden death is one of the suspected side effects of hydroxychloroquine, according to the CIA in a memo to its workforce posted online.

By SIMON DEAN

simon@sundaysport.co.uk

Despite a lack of medical evidence, the US President has heavily promoted the drug as a possible treatment for Covid-19, which has killed 23,675 and infected 588,421 in the United States.

But amid positive noises surrounding the drug emerging from the daily White House press briefings, bosses at the CIA's HQ in Langley, Virginia, have made their concerns clear.

Dangerous

Hydroxychloroquine is 'not recommended to be used by patients except by medical professionals prescribing it as part of ongoing investigation studies', according to the advice.

The advice, posted in response to CIA staff queries, noted that possible side effects include 'sudden cardiac death'.

A CIA source said: "If it's too dangerous for international secret agents to take without medical advice, I'd think long and hard about taking it if I were a normal Joe."

Trump is a major cheerleader of taking hydroxychloroquine in concert with an antibiotic for those infected with the virus, pointing to a study in France which scientists have treated with scepticism.

He tweeted that the drug could be 'one of the biggest game changers in the history of medicine' and should 'be put in use immediately'.

When grilled over his advocacy of the drug, he said: "What do I know, I'm not a doctor. But I have common sense."

But the President's championing of the drug has not been echoed by his closest advisers and have seen splits among the taskforce steering the health crisis strategy.

Infectious disease expert Anthony Fauci has urged Americans not to take the drug.

Answering questions on whether he would prescribe the drug, he said 'the answer is no' and said there was only 'anecdotal evidence'.

STUNNING: Alice's sexy posts after love split with Pennant

'This is my lockdown outfit!'

ALICE Goodwin showed no signs of heartache as she took to Instagram to share a slew of sexy snaps.

The glamour model, 34, paraded her stunning figure as she slipped into a teeny-tiny yellow bikini to make the most of the sunny weather in the UK.

Alice captioned the post: 'This has basically been my lockdown uniform. Happy Easter my little bunnies hope you ate loads of chocolate and laughed and listened to music and thought happy thoughts'.

Alice confirmed the breakdown of her marriage to football star Jermaine Pennant on her Instagram stories earlier this month, stating the couple 'couldn't make it work'.

In a heartfelt and lengthy statement, the model explained how the pair had suffered 'ups and downs' and added they explored 'all avenues' in a bid to make their marriage work.

She penned: 'Hi guys, before any speculation starts I'd like to let people know that Jermaine and I are no longer in a relationship. We have spent 9 years together with ups and downs but ultimately we couldn't make it work.

'I will always care for Jermaine and wish him the best but at this point all avenues have been explored to make the marriage work and sometimes things just aren't meant to be.'

16,397 deaths is a record weekly high

THE number of people dying hit a record weekly high in England and Wales at the start of April, figures show.

There were 16,387 deaths in the week ending April 3 – the highest since the Office for National Statistics started publishing weekly data in 2005.

Coronavirus cases contributed to the jump in deaths, with 3,475 linked to the virus.

One in 10 coronavirus deaths this year are in the community – the government's daily figures cover just hospitals.

The total number of deaths were 6,000 more than the average for this time of year, when deaths normally start to fall after the flu season.

It is unclear what else is causing the jump in the deaths total.

Hundreds fined for beach trips during Easter

DOZENS of beachgoers who travelled to the coast over the Easter weekend to soak up the sunshine have been fined.

Police issued more than 50 fixed penalty notices to day-trippers in Brighton, East Sussex, who live outside of the county.

Officers clamped down on tourists defying the Government coronavirus advice to stay at home between Good Friday and Easter Sunday, with more than 100 fines handed out across the county.

All of the penalties in Brighton on Easter Sunday were given to people visiting from other cities – while the vast majority of residents stayed at home.

Meanwhile, police in Plymouth, Devon, issued fines to three members of the same family after they travelled from London for a "holiday" to see a cousin.

Benefit claims up 200,000 in a week to 1.4m

THE number of people claiming Universal Credit as a result of the coronavirus crisis has hit 1.4million, Work and Pensions Secretary Therese Coffey has revealed.

The figure is an increase of 200,000 on last week's total.

She said the welfare system was "capable of processing and managing those claims" amid concerns of financial hardship for people who are unable to access any of the bailout measures.

Ms Coffey said: "We're up to about 1.4million people who have claimed Universal Credit and also people who have claimed other things like Jobseeker's Allowance or Employment Support Allowance, so we are capable of processing and managing those claims."

Celebrity SAS Katie: Boobs let me down

KATIE Price has said she feels like her BUSTERS let her down on *Celebrity SAS: Who Dares Wins*.

The reality TV star and former glamour model, 41, had breast reduction therapy before appearing on the Channel 4 show.

Price *(above)* said while she was "strong" mentally, her body was not ready for the gruelling show hosted by Ant Middleton.

She said: "I think a lot of people would know that mentally I am strong, just by my past and what I have been through,

"But it it was just physically my body wasn't ready for a lot of the things I was put forward to, because that's just due to my stupidity of going smaller surgically.

"I feel like I let myself down. What I mean is because of my boobs physically – you will see some of it – I shouldn't have done it. I lied to myself."

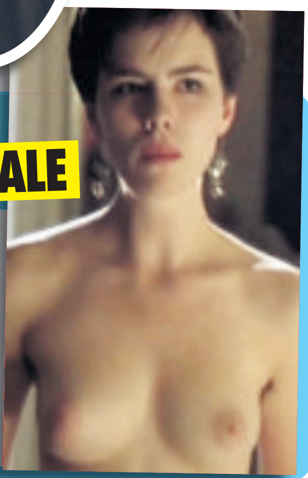
AS IT'S REPORTED HE'S HANGING OUT THE BACK OF JACK'S

KIRSTY GALLACHER

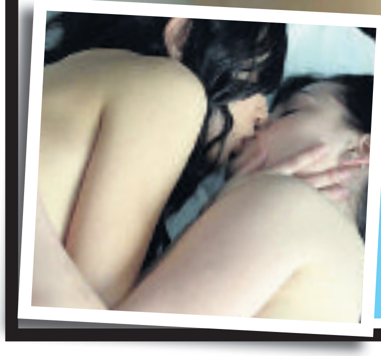
TELLY host Kirsty Gallacher romped with comic Jack at a star-studded party in 2018. They disappeared into a room alone after a steamy clinch in front of fellow celeb guests after meeting up at London's infamous showbiz haunt, The Groucho Club.

KATE BECKINSALE



ALSO in 2018, Hollywood superstar Kate Beckinsale went to a luxury hotel with Jack in the early hours after spending the evening together. The pair reportedly spent the night together at the extremely swanky London Hotel in Los Angeles after they were spotted snogging in an upmarket karaoke bar.

GEMMA CHAN



JACK dated drop dead gorgeous actress Gemma Chan, known for her roles in TV drama *Humans* and film *Crazy Rich Asians*, for six years. The couple first met in 2011 when they both starred in *Fresh Meat*. But they broke up in December 2017, reportedly due to their hectic filming schedules.

DUA LIPA

2018 was arguably Jack's greatest year. He and singer Dua Lipa continued their triumphant evening at the Brits by spending time together, dancing and kissing. Both partied the night away at the Warner after-party at Freemasons Hall, but sources claimed that as soon as the host spotted the British singer, he made a beeline straight for her.

IT'S a question right up there alongside the existence of God, the whereabouts of Lord Lucan and whether or not Donald Trump's hair is actually made from candy floss.

How, a nation asks, does mid-to-low grade comedian Jack Whitehall end up getting so many really fit birds into the sack?

The spawny posh boy is now reportedly sharing the hells of lockdown with Leonardo DiCaprio's ex, Roxy Horner.

Claims have emerged that the new lovebirds decided to isolate together after making their romance exclusive just before the UK went into lockdown amid coronavirus.

It's said the funnyman, 31, and the model, 28, have been watching a lot of Netflix and things have been "perfect" in "their own little bubble".

A source said: "Jack and Roxy are enjoying being in isolation together. It's all very new, but they're in their own little bubble and things are perfect at the moment.

"Being in lockdown during a honeymoon period is certainly one way to get to know each other quickly.

"But the more time they spend together, the happier they seem."

Today we take a look at a few more stunnas Eton-educated Jack has welcomed between his sheets...

PARIS HILTON

EARLY last year, Paris and Jack raised eyebrows after leaving flirty messages and liking each other's Instagram pictures. The American billionaire socialite scattered a bunch of flirty comments under the British comedian's social media, with the funnyman, 30, returning the likes himself.

HOOKERS DEMAND LAYOFF PAYOUTS

SEX workers are now demanding cash aid from the Government — because their married clients are stuck at home.

Escorts are up in arms saying their income has taken a nosedive during lockdown.

As most workers are told to stay at home, experts claim virtual sex has boomed, but webcam girls and sex chat hostesses are furious their work has almost dried up.

One sex chat hostess said: "Most of my regulars are married blokes with nowhere to sneak off to at the moment.

"There is no way they will be calling while they are stuck in the house with wives.

"A lot of other clients who are single are still living with mums and dads so they've stopped ringing up, too.

Whispering

"I had one regular who called and I could barely hear what he was saying as he was whispering so low.

"When I asked him what he was doing he said he was hiding under the bed and his wife was downstairs in the kitchen."

The English Collective of Prostitutes is urging the Government to help.

By SUZIE SHELDON
news@sundaysport.co.uk

A spokeswoman said: "Hundreds of thousands of families in the UK rely on the income from sex work to survive.

"But sex workers have been excluded from the Government's emergency financial measures because sex workers are denied status as workers.

"This means sex workers are excluded from the support that other workers are now receiving at this critical time.

"Sex workers, just like all other workers in the UK, need money to pay their bills."

‘Postman’ dildo creator stirs up small fortune!

AN inventor hopes to make a fortune with a revolutionary new sex toy dubbed ‘the postman’ as it delivers orgasms daily during lockdown.

Kevin Clark (*above*) and his new Gyr8tor are attracting rave reviews from female users for the device’s unique ‘stirring motion’.

He won £3,000 in Lovehoney’s Design a Sex Toy competition for his winning entry and will earn royalties for every Gyr8tor sold.

A previous winner of the contest has banked £320,000 after designing the world’s first oral sex simulator, the Sqweel.

Kevin, 46, who lives on the remote Isle of Lewis in the Western Isles in Scotland, said: “I came up with the idea of adding a motor to a gyroscope.

“I made a video to show how it would work and Lovehoney could see that I was offering something completely different.

“You have a sex toy which moves in a new way, offering totally new sensations – for both sexes.”

Surfing crocs invade closed beach resort

CROCODILES have taken over a beach at a popular resort that was shut down due to coronavirus.

Crocs were spotted sunning themselves at the Lagoon beach at La Ventanilla in Oaxaca, Mexico – an ecotourism resort on Mexico’s southern coast.

Some crocs were even caught surfing the waves.

The beach, which is normally packed with tourists, has been closed since earlier this month when government officials ordered all of the nation’s beaches and resorts shut down to help halt the spread of COVID-19.

Crocodiles have made their way onto human turf in the region in the past, including an attack on a sleeping fisherman in November last year.

But the new invasion at La Ventanilla marks the first en masse encroachment in decades.

TIGER KING JOE 'BONKED STUFFED ANIMALS'

Shock claim they DIDN'T tell you about on Netflix

By COLIN HURST
news@sundaysport.co.uk

TIGER King Joe Exotic tore holes into stuffed animals to use them as sex toys and also had sex with live GOATS, his former business partner claims.

Jeff Lowe also claims Joe had the bodies of two shot animal rights protesters buried at his zoo, made infamous by the blockbuster Netflix series.

Jeff, who now owns Greater Wynnewood Exotic Animal Park in Wynnewood, Oklahoma, insists the show only shows "one per cent" of Joe's crimes.

Prostitutes

Joe is serving 22 years in federal prison for plotting to have his arch enemy Carole Baskin murdered and for more than a dozen wildlife violations, including killing five tigers.

Lowe claims Joe was embezzling from both the zoo and his parents and using the money to pay male prostitutes he would meet online.

Lowe said several times he would see a man walking around the car park after Joe had kicked him out of his house after having sex.

Lowe said: "I got into a couple of his email accounts and found him soliciting for big black c**k every Tuesday or Thursday night out of Oklahoma City on Craigslist.

"He would write to them, 'I'll pay you $400 to f*** me. I'll pay you $300, to come f*** me. Come f*** me now'."

Lowe also raided his attic and claims he found thumb drives containing pictures and videos of Joe and his then-husband John Finlay dressed up in trashy lingerie, hanging from sex swings.

Lowe said: "We also found pictures of stuffed animals, where the mouths and ends of the animals had holes cut out in them, where they would use them as their own sex toy."

And he claimed a former zoo security guard told him that Joe used to bring animals – including goats, sheep and alpacas – into his house.

Amazing feet for the Pistols

ICONIC British footwear brand Dr Martens has unveiled two new designs dedicated to punk legends The Sex Pistols.

In the first, a pair of 1460 model boots sport the title of the band's anti-establishment single *God Save The Queen*, the song that saw them dropped from their label, A&M.

The other new footwear to be released is a 1961 white model, emblazoned with British newspaper clippings featuring the headline The Filth And The Fury – a reference to their appearance on the *Bill Grundy Show* when the band swore live on TV.

It's not the first time the parties have united for a shoe project, with Dr Martens first releasing a series of Sex Pistols shoes in 2019 which featured lyrics from the song *Pretty Vacant*.

Bond babe strips in hot new movie

By JAYNE FERGUSON
news@sundaysport.co.uk

BOND girl Eva Green has stripped off for a steamy topless shower scene in her new movie *Proxima*.

Eva famously played Vesper Lynd alongside Daniel Craig in his first outing as 007 in 2006's *Casino Royale*.

The 39-year-old Paris-born actress plays Sarah Loreau in *Proxima* – a French astronaut training at the European Space Agency.

The movie – due to be released next month – centres around her preparing to take on a year-long mission.

Teaser pics reveal Eva soapily washing herself in the shower in a nude scene.

She stars alongside Matt Dillon in the new space film that's already been praised by critics.

Eva has previously spoken out about it "not making sense" for Bond to be played by a woman after Daniel Craig hangs up his suit.

She said: "I'm for women, but I really think James Bond should remain a man. It doesn't make sense for him to be a woman.

"There is history with the character that should continue. He should be a man."

Those in the running to take over include James Norton, Richard Madden and Idris Elba.

The release of the new Bond movie *No Time To Die* has been put back until November due to the coronavirus outbreak.

A production source said: "Eva Green is as hot as ever – so hot she's smoking!"

'SEX CULT' TRIAL MAN'S VIRUS PLEA

A MAN accused of running a sex cult of college students is the latest inmate to seek bail due to the coronavirus crisis, claiming he is suffering from diabetes and has been unable to meet with his attorney because of the pandemic.

Lawrence Ray has been held at the Metropolitan Detention Centre (MCC) in lower Manhattan while awaiting trial for extortion, sex trafficking and forced labour among other charges linked to Sarah Lawrence College in Yonkers, New York, where his daughter was a student.

According to the Bureau of Prisons, five inmates and eight staffers at the detention centre have tested positive for COVID-19.

Ray *(left)* recently lost consciousness in his cell after experiencing excruciating head pain and was diagnosed with high glucose levels.

He also cited shooting pains down his leg.

Judge Lewis Liman had previously denied him bail, believing him to be a danger to society.

But Federal Defender Marne Lenox has filed in the Manhattan Federal Court asking the judge to reverse his decision.

Naked maniac took a SHIT in front of drivers

A LOON, naked apart from a hat, stood at the side of the road and did a SHIT in full view of passing motorists.

Drivers were stunned as the maniac *(above)* waved as he crimped one off alongside the busy street.

Witness Alisa Habel, a passenger in one car, videoed the outrageous act by Celebration Park in Naples, Florida.

She said: "I thought he was wearing a lot of tan clothes.

"We got closer and he was completely naked, bent over, squatting down, arguing with himself.

"Then he gone done dung."

Alisa and her 22-year-old daughter called cops to report the graphic encounter.

"I felt like I've been victimised," she said.

Deputies with the Collier County Sheriff's Office responded to Celebration Park.

The man was taken away by emergency medical services.

He's now been sent to the nuthouse.

The council cleaned up the filth.

Female body found in blood-spattered man's burnt home

A MAN found naked and covered in blood on a patio with a female family member dead inside his burning house told cops: "I can explain…"

Daniel Gudino, 29, was arrested after emergency services arrived at his blazing home following reports of someone "suffering a mental crisis".

When cops arrived, firemen extinguishing the fire had found a body in a bedroom.

Police in San Francisco said the 56-year-old woman who died is believed to be a relative of Gudino's, but they did not elaborate on what led to her death.

A source said: "He told officers, 'I can explain' but when challenged he admitted, 'No, not really'."

WELL, here we are in week four of the great lockdown.

How's it going for you?

Been pulled by the rozzers yet for going on a walk that's a little bit too long?

Had your shopping baket searched by the "essential items" Stasi? Been ratted on by your friendly neighbourhood snoop yet?

Let's not forget, previous generations have suffered a lot worse than this.

Our grandparents' idea of lockdown was shitting in a bucket in a backyard Anderson shelter while Hitler's bombs rained down outside.

And, thanks to the miracle of your *Midweek Sport*, we have something that makes isolation a lot more bearable – lots and lots of BUSTERS!

So today, as part of our essential work to keep Britain smiling and sane, here are five pages of brassy blondes with big boobs.

And there's another five pages to come in this week's *Weekend Sport*, out on Friday.

With babes like this to keep you entertained, this lockdown will be over before you know it!

'I've done BAD...'

ON a warm July evening in 2013, Amos Wells calmly walked into a police station and gave himself up. Still dripping in the blood of his victims, Wells had just murdered three generations of the same family – including his own unborn child...

FACE OF A MURDERER: Wells fired a total of 12 shots at his victims

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

By BRAD CHADWICK
news@sundaysport.co.uk

WHEN evil Amos Wells, 28, broke up with his girlfriend Chanice Reed, something deep within him became unhinged.

It didn't matter that Chanice, 22, was 34 weeks pregnant with his baby – an infant he should have been fiercely protective over.

Because, in a fit of violent anger, he took a gun and murdered Chanice, her 10-year-old brother Eddie McCuin Jr and Chanice's 39-year-old mum, Annette Reed.

Despite the best efforts of paramedics in Fort Worth, Texas, the unborn child – a boy – also perished in the carnage.

Now Wells has only one more wish – to die like those he sent to meet their makers.

And that fate will no doubt come soon enough, as Wells sits on Death Row until the day he will eventually be strapped to a bed and administered a lethal injection.

In a frank and open admission in court, Wells turned to his relatives after learning of his sentence and told them: "I did this. I'm an adult. Don't bear this burden – this burden is mine.

"The more you see me, the more you do for me, the more I will feel like I am putting this burden on you."

MY LIFE IS OVER: Wells on death row

Meanwhile, relatives of Chanice were left to pick up the pieces of their shattered lives.

Monique Myers, Chanice's cousin, spat: "He just shot her point-blank. Then he shot my cousin Eddie three times.

"He was going to have a child himself. To kill that child's mother, her little brother, you don't have a heart."

Screaming

Wells had arrived at Chanice's house on July 1, 2013, looking for trouble.

They had separated just a few weeks earlier.

The pair began arguing in the street. Eventually, Wells was screaming at Chanice to get in his car and go with him to an unspecified location.

When Chanice refused, Wells walked to the driver's side of his Chevy Tahoe parked in front of the home – and all hell broke loose.

Eyewitness Esqual Martinez, a construction worker who lived two houses down, said: "At first I thought he was leaving, but he came back with a gun in his hand."

Martinez said he watched as Wells shot the woman he had been arguing with 'multiple times'.

He then saw him approach Chanice's mum, Annette, who had just made a 911 call to police.

In that recording played in court, Annette can be heard yelling, 'He's going to his truck. No, please no!'

Martinez said she was trying to 'bat the weapon away' but the man kept repositioning it toward her until he shot her in the face.

Martinez testified: "I heard some more shots. I didn't know what was going on."

The shots Martinez heard was Wells chasing down young Eddie – a terrified 10-year-old who had just witnessed his sister and mother being executed – and assassinating him in cold blood.

As Wells made his escape and with cops on the way, another of Annette's sons – Ken Speed, 21 – turned up.

He said: "I opened the car door and said, 'What's going on?'

"A neighbour said, 'Someone got shot'.

"I saw my mum on the ground. I ran to her. She was choking on her own blood.

"I looked to the left and I saw my sister in the doorway with a hole in her head."

On seeing bullets embedded in the walls of the house, Ken's thoughts immediately turned to his younger brother.

He added: "I looked down the hallway. Eddie was on the ground.

Carnage

"I rolled him over. He had three bullets in his chest."

Police arrived to a scene of bloodshed and carnage.

Horrific bodycam footage shot by officers, which was later played in court, showed Annette lying on the floor, blood pouring from her face, screaming for help.

She fought for her life but sadly died shortly after arriving at hospital.

Wells, meanwhile, made a phone call to his ex-partner, Valrecia Brooks, the mother of his seven-year-old daughter.

He told Valrecia what

IN FRIDAY'S

something

GUNNED DOWN: *(From left)* Chanice, Eddie and Annette

he'd done, informing her he had one bullet left and enough petrol in his car to drive 97 miles.

Once the tank was dry, he said, he planned to put that bullet into his own skull.

Valrecia says: "I tried to get off the phone to see if I could help, but he said it was too late. They had already gone.

"He said he was going to drive away and then shoot himself, but I told him to turn himself in.

"I ended the call feeling as though he would."

A few minutes later, Wells did just that.

He walked into the Forest Hill Police Department in Texas and announced to officers, 'I've done something bad'.

Patrol Sgt Chris Hebert revealed: "He was saying things like, 'Put me in jail. Kill me'.

"I asked him for his name and he said, 'Y'all will know soon enough. Y'all are looking for me'."

Wells appeared to be detached from reality.

Sgt Herbert added: "A couple of times he went into a trance. It was like he was on another planet."

Detectives discovered that 12 shells were missing from a box of ammunition found in Wells' room – the precise number of shots fired at the residence where first responders found the three mortally wounded victims.

Ballistic analysis showed all the bullets came from the same type of handgun.

In an astonishing interview with a local TV news channel, Wells spoke to reporters from his jail cell just 24 hours after the slayings.

When asked what had happened, tears streamed down his face as he sobbed: "I don't want to talk about that.

"Chanice was my girlfriend. She was pregnant and I was excited. It was going to be my first boy.

Sorry

"There's no reason why that should happen. There's no explanation I can give anybody to make it seem right or make it seem rational.

"There's no reason in the world why someone should have death forced upon them without natural causes.

"No-one deserved what happened – it shouldn't have happened.

"I just want to tell the family that I'm praying for them.

'You might not want it, but I'm still praying for you.

"And I'm truly sorry for whatever happened."

SENTENCED TO DEATH: Wells at his trial

Speaking about his decision to turn himself in, Wells added: "I just wanted to die. But that wouldn't fix anything.

"I wouldn't make the family feel better, not my side and not her side."

Choking back sobs, Wells also admitted: "Did I love Chanice? Yeah, I did."

While Wells chose not to enter a plea, his defence lawyers attempted to paint the killings as a crime of passion – something done in the heat of the moment and with little rational thought.

But Fort Worth police Sgt Scott Sikes revealed how Wells' gun had jammed mid-spree – meaning it needed to be cleared before being fired again.

He described how the shooter would have had to be 'calm, cool and collected' to clear the jammed handgun, while also showing 'extreme rage'.

In November 2016, Wells was sentenced to death by District Judge Ruben Gonzalez.

Prosecutor Kevin Rousseau said: "This defendant slaughtered three generations of one family. He took four innocent lives that day."

A victim statement from Chanice's family, meanwhile, laid bare the extent of their loss.

It read: "There have been six deaths in our family between 2010 and 2013.

"All we have left is memories that will never fade away."

DOG SEX MUM MUST DIE!

MURDER CHARGE: Snyder is accused of hanging her kids

Prosecutors seek death penalty in sickening case

A MUM accused of hanging her two children in her basement after having sex with the family dog is facing EXECUTION.

Lisa Rachelle Snyder, 37, was arrested after Conner, eight, and Brinley, four, were found unresponsive at the family home.

She faces charges of murder, child negligence, animal cruelty, sexual intercourse with a dog and tampering with evidence.

By COLIN HURST
news@sundaysport.co.uk

Prosecutors say her alleged crimes "meet the threshold of aggravating factors" required "for a capital case".

"The decision to seek the death penalty was not made lightly, but we decided there was overwhelming evidence of [those factors]," said District Attorney John T Adams.

Suicidal

Snyder phoned the emergency services on September 23 last year and claimed to have found her children unresponsive in the basement of her home in Reading, Pennsylvania.

Conner and Brinley died after three days on life support in hospital.

Snyder later claimed Conner was suicidal after being bullied at school and carried out a murder-suicide because he didn't want to die alone.

But police say Snyder failed to return to the basement to try to revive her children after making the 911 call.

She is also reported to have told a friend that she had "had enough" and to have googled "carbon monoxide in a car how long to die" and true crime series *I (Almost) Got Away With It* before the deaths.

WELSH wonder Natalie Holmstrom is missing out on her regular trips to local beauty spot The Mumbles – where she loves to walk her dog Harold.

The 27-year-old blonde beauty, from Swansea, reckons it's one of the most stunning places in Britain and she loves taking her border collie there every weekend.

The 32D babe said: "When I tell people that I am from Swansea, they laugh and think it's a joke place.

"But they don't know what's around it. Believe me, The Mumbles is just amazing.

"It's so beautiful and peaceful. I am missing it like crazy it at the moment."

HE'S BACK!

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

The left hate Boris – for not dying

BORIS Johnson has got his political opponents howling at the full moon for selfishly not dying from coronavirus.

According to that level-headed arena of sane thought – Twitter – the PM rigged it in order to "rise again" on Easter Sunday just like Jesus did in that popular book of old wives' tales, the Bible.

No matter that he'd clearly nearly worked himself into an early grave after first taking control of the Tories, then thrashing Labour in the General Election, then pushing Brexit through, and then being confronted by the biggest, deadliest pandemic ever known in our lifetimes.

No matter that he was so run down he fell victim to the virus himself, as did his pregnant fiancée Carrie Symonds.

No – all that matters to the spittle-lipped, Che Guevara T-shirt-wearing keyboard warriors of social media is that Boris has let them down AGAIN by not actually dying.

Utopia

This is Jeremy Corbyn's legacy – a bunch of frothing, swivel-eyed supporters who still honestly believe their man was somehow robbed of the chance of leading us into a socialist utopia.

If only for those pesky voters voting for fascists and racists, they argue, Jezza would have got away with it, at the same time genuinely wondering why they seem to repel voters rather than attract them.

And my, do they have some odd words for those voters. "Hope you're happy about Brexit now," snarled one, inexplicably, as the virus spread.

While others sit back smugly, arms folded, watching the death toll rack up on the telly and sneer that "it's Johnson's fault".

No matter that the virus almost certainly started with a soup course of boiled bat and main of wok-fried pangolin in a dodgy wet market in Wuhan, China.

Or that the only continent on the entire planet not affected or infected by the disease is the Antarctic – mainly because penguins are not known to eat badgers.

No, they are just minor details for the laptop sleuths.

Instead, blame for everything lies at Boris's door of No. 10.

Should the Government have had more PPE gear for – at the very least – NHS and care home staff?

Very definitely, yes.

But could the country really afford a permanent rocket-boosted NHS as Corbyn's demented support now claims?

No – not unless they want to pay buckets more in tax.

Which they never do.

That's for other people to pay while the righteous far left instead concentrate on organising and attending marches and rallies, and tweeting with bitter venom.

Mistakes have been identified but now is not the time to navel-gaze – as if the Government, the NHS, and frankly all of us haven't got enough on our plates already.

So wind your necks in and let's support the PM in trying to get the bloody thing fixed first.

There will be plenty of time for questions and blame games in the aftermath of this crisis.

In the meantime, please do a Boris – and stay alive.

Lags made to do lesbo sex shows by prison guards

INMATES at a women's prison were forced to put on LESBIAN sex shows for wanking screws, a report claims.

Lags were regularly sexually assaulted by guards at the Edna Mahan Correctional Facility for Women in Clinton, New Jersey, and one woman was even forced to act as a lookout for the guard assaulting her.

Assault and coercion were so prevalent that the Justice Department said the New Jersey Dept of Corrections and the prison had violated inmates' constitutional protections from cruel and unusual punishment.

A spokesman said: "Sexual abuse should not be a part of any prisoner's punishment.

"Women prisoners at Edna Mahan are at substantial risk of sexual abuse by staff because systemic deficiencies discourage prisoners from reporting sexual abuse and allow it to occur undetected and undeterred."

The Justice Department said it could sue the department in 49 days if officials did not address the problems laid out in the report.

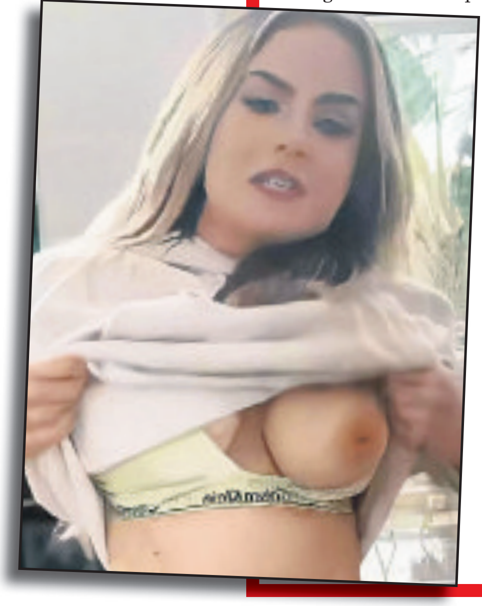
JOJO'S JUBBLIES!

By GRACE HOOPER news@sundaysport.co.uk

US singer JoJo caused a stir when she accidentally flashed a NIPPLE to her Instagram fans.

The *F**k Apologies* star, 29, was cheekily lifting her hoodie up to show off her sports bra in a live video on the social media network.



But it was only when she raised her white top that she realised her impressive left boob had fallen out of its bra cup – to the delight of her 1.7million followers.

JoJo – real name Joanna Noëlle Blagden Levesque – is known for her risqué lyrics and sexy videos.

Epic

Born in Brattleboro, Vermont, she's made a name for herself with songs like *Man*, *Sabotage*, *Leave (Get Out)* and *Boomerang*.

Her nip slip soon became a top of threads on gossip social media outlet Reddit.

Branko135 wrote: "Those nipples are epic, didn't expect that!"

While user Jeffg75 commented: "And THAT children was the moment that made the pandemic totally worth it..."

DISNEY GIVES DARYL HANNAH A HAIRY BUM!

PRUDISH Disney bosses covered up actress Daryl Hannah's peachy bum with HAIR in a sly edit to her iconic 80s movie *Splash*.

The movie, in which a young Tom Hanks falls for a mermaid called Madison (Hannah), was nominated for a best original screenplay Oscar back in 1984.

On a couple of occasions Daryl's pert posterior was on show – which got the movie a PG rating at the time.

And this has since lead to some editing for screening on the new Disney+ streaming channel.

According to Twitter user Allison Pregler, the Disney+ cut of *Splash* has its small amounts of nudity censored.

In one scene, Hannah's bare arse is blocked out using CGI to help extend her hair.

The fix is intended to look like an extension of her long blonde locks, but instead ends up looking more like a strange, fuzzy blur.

One fan who noticed took to Twitter to share the clip, writing: "Disney+ didn't want butts on their platform so they edited *Splash* with digital fur technology. Good thing I own the DVD!"

And another fan who spotted changes to the scene posted: "It's like they tried to make her hair longer and thicker, but gave her a giant shag carpet for a butt!"

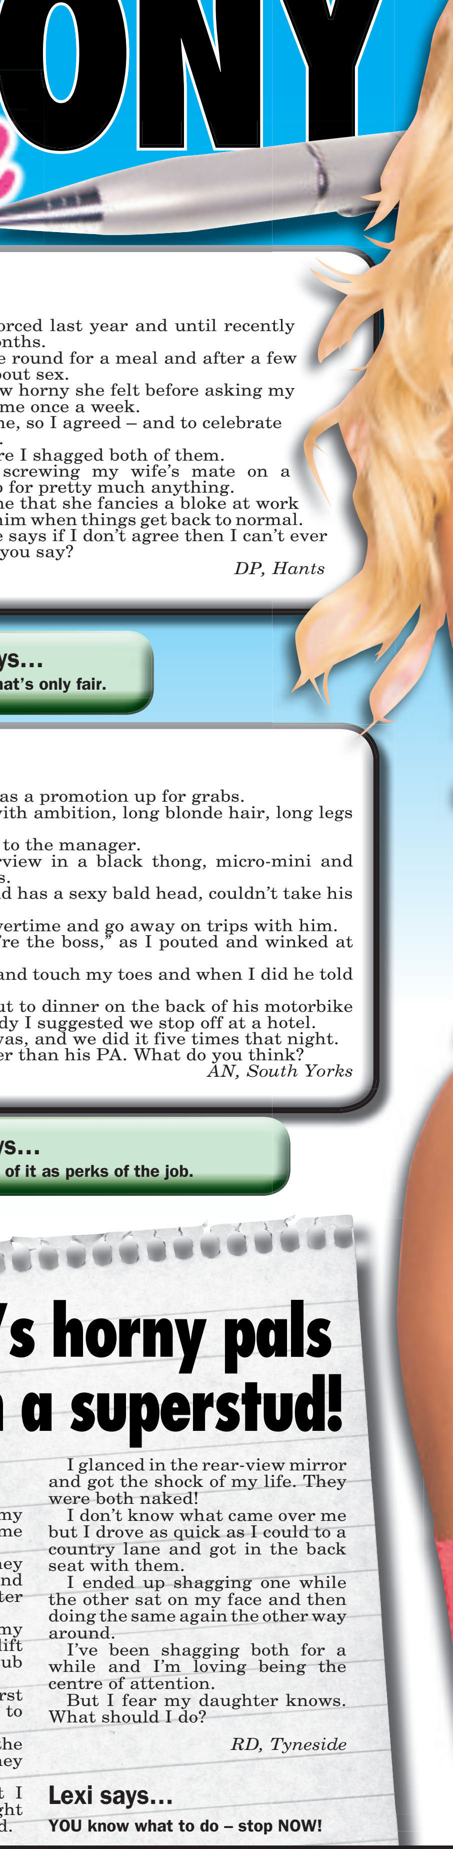
THE WORLD FAMOUS AGONY Page



Dear Lexi,

MY wife's best mate got divorced last year and until recently she hadn't had sex for six months.

Back in February she came round for a meal and after a few glasses we started talking about sex.

It was then she told me how horny she felt before asking my missus if she could "borrow" me once a week.

My wife said it was up to me, so I agreed – and to celebrate our deal we had a threesome.

They sucked my knob before I shagged both of them.

For a few weeks I was screwing my wife's mate on a Wednesday – and she was up for pretty much anything.

But then the missus told me that she fancies a bloke at work and wants to have it off with him when things get back to normal.

I don't want her to, but she says if I don't agree then I can't ever shag her pal again. What do you say?

DP, Hants

Lexi says…

SURELY that's only fair.

Dear Lexi,

RECENTLY at work there was a promotion up for grabs.

I'm a 23-year-old woman with ambition, long blonde hair, long legs and 36D breasts.

The job on offer was as PA to the manager.

I dressed up for the interview in a black thong, micro-mini and knee-high black leather boots.

The manager, who is 62 and has a sexy bald head, couldn't take his eyes off my legs.

He said I'd have to work overtime and go away on trips with him.

I said: "Certainly, sir, you're the boss," as I pouted and winked at him suggestively.

He asked me to bend over and touch my toes and when I did he told me the job was mine.

To celebrate, he took me out to dinner on the back of his motorbike and the ride made me so randy I suggested we stop off at a hotel.

He was as turned-on as I was, and we did it five times that night.

But I'd prefer to be his lover than his PA. What do you think?

AN, South Yorks

Lexi says…

JUST think of it as perks of the job.

Daughter's horny pals reckon I'm a superstud!

Dear Lexi,

FOR some reason two of my daughter's friends think I'm some sort of superstud!

They're 20 and I'm 44, but they are always sidling up to me and offering sex when my daughter isn't looking.

One Saturday night, I gave my daughter and her mates a lift home after they'd been out to a club in town.

I dropped my daughter off first before taking her mates back to their place a few miles away.

I could hear them giggling in the back seat and just thought they were having a bit of fun.

Then one of them said that I didn't have to take them straight home if I wanted to be surprised.

I glanced in the rear-view mirror and got the shock of my life. They were both naked!

I don't know what came over me but I drove as quick as I could to a country lane and got in the back seat with them.

I ended up shagging one while the other sat on my face and then doing the same again the other way around.

I've been shagging both for a while and I'm loving being the centre of attention.

But I fear my daughter knows. What should I do?

RD, Tyneside

I'm caught in a sex trap between two hot sisters

DearLexi,

I'VE had a bit of a problem since I moved to a new village six months ago.

I work in the only pub and fell for one of the locals. She's 29 and has a cracking figure.

We have a laugh and a joke every time she comes in and we fondle each other without the pub regulars knowing.

Ripped

I'd really like a relationship with her, but the problem is that I'm sleeping with her sister!

I met her soon after I settled in my little cottage and we've been an item since.

She's a great girl in her mid-30s and we have a great deal in common and a lively sex life.

Recently we had a lock-in at the pub and both sisters were there with me.

When I went to the toilet, the younger sister followed me.

She got my manhood out, ripped my jeans down and hitched up her skirt. Then she pushed me against the wash basin and ordered me to f**k her hard.

After 10 minutes we were still going for it when my bird came in.

She pushed her sister to one side, took her top off and started sucking me off until I came all over her massive tits.

I ended up shafting both of them – twice!

But the next morning, when we'd all sobered up, things were a little different and now they are asking me to choose between them.

I don't want to ditch either. What should I do?

JL, Gloucestershire

Lexi says...

IT seems like you are more keen on the younger sister, so I think your choice is an easy one.

Dear Lexi,

I USED to take my son to work and drop him off at the bus station.

One day, a young woman waved me down and asked if I was looking for business, but I told her: "No thanks."

But after a week of sexual frustration at home I decided to go back to the same spot and pick her up.

We drove to a quiet lane and she expertly sucked my cock while I played with her boobs before pulling up her skirt and riding her until I exploded.

I was soon seeing her four times a week and the sex was mind-blowing.

Is this OK?

ST, Yorks

Lexi says...

AS long as you have the dosh, yes.

Stripper bonked me to keep her secret

Dear Lexi,

MY work colleague's wife works as a stripper in a club near my office in the centre of the city.

She's a busty blonde in her mid-30s and I happen to know she has shagged loads of the regulars in there – because I go there now and again myself.

A couple of months ago I watched as she did her super sexy show and then she offered blowjobs for a tenner-a-time.

Not surprisingly, there were lots of takers and she sucked off about twenty blokes.

She didn't notice me until she was going home and went white in the face when she did.

She explained that her husband knows nothing about her stripping and that she did it to earn extra money and because she was bored with her sex life.

Licked

She then said that I could shag her every Wednesday night if I kept my mouth shut.

To my shame, I agreed. The first time we did it was in my car. We got on the back seat and I licked her out before boning her from behind.

I've since f**ked her in every hole and despite feeling guilty I was enjoying it.

That was until she told she now wants to leave her husband and move in with me.

It's the last thing I want when I've got to work alongside her husband. What should I do?

GF, east London

Lexi says...

STOP the sex and tell her you'll be happy just to watch her strip in the club in future.

Dear Lexi,

SINCE my wife had our first baby we've hardly had sex.

I've tried to remain faithful to her but last month her best mate paid us a visit.

We were alone as the missus had gone to stay with her mum for a few days – a fact I'm sure her mate was fully aware of – so I thought I'd try it on.

She was well up for it and soon we were in bed.

She's got a great body and massive tits and I probed her stiff nipples with my tongue until she begged me to fk her.**

It was a real turn-on seeing my cock slide in and out of her wet pussy as I took her from behind.

She then asked me to do her up the bum – and I couldn't believe my luck, as my wife has never let me do this with her.

I was in heaven as I felt her sphincter relax and I pushed slowly in and out.

Later, she gave me a blowjob and let me shoot my sticky wad all over her tits.

I try to see her as often as I can and the sex gets better every time.

Life with my wife is so boring that I'm considering leaving her.

Her mate said she'll finish with her boyfriend and I can move in with her.

What do you think?

PT, Somerset

Lexi says...

LUCKY old you!

#MY SEX FANTASY

‘I love being stripped naked and called a naughty slut’

...WITH AMY ALEXANDER, 28 32E-24-31 FROM BOSTON, LINCS

‘MY fella and I are having A LOT of sex while the country is in lockdown – it’s the best way to pass the time!

We’ve played out my favourite fantasy quite a bit... that’s being a submissive sex slave.

I love it when my fella bosses me about. I love being stripped naked and on my knees, just waiting for my dominant to give his commands.

I love being called a naughty little slut as he thrusts his hard cock in my mouth and tells me to suck it good.

I get so aroused when he spanks me – using paddles is hot – and pulls my hair.

He goes wild when I tell him I’ll let him do anything he wants to me and I’ll do anything he says.

This social isolation isn’t so bad. I’ve now got myself a makeshift kinky dungeon – and that’s where I’ll be for the coming weeks, having orgasm after orgasm!”’

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

GEORDIE babe Kayleigh Wanless is the hottest thing to come out of Newcastle since Cheryl Cole flashed her nipple in the back seat of a car.

The 22-year-old, who boasts a cracking pair of 32E busters, is proud of her heritage and reckons Newcastle is the best city in the country.

The heavily-inked beauty said: “Everywhere else people are well stuck up, but it’s not like that in Newcastle.

“Here you can always have a right laugh. I can go out on a Friday night, get mortalled and flash my tits and nobody bats an eyelid.

“Try that in the Cotswolds and the police get called – I know that from experience.

“So that’s why Newcastle is by far the best city in the world.”

KOP KING: Mbappe

NIKE HELP KOPITES GO IN FOR THE KYL

By ANDY MILLOM

NIKE could pay some of Kylian Mbappe's wages if he makes a sensational move to Liverpool.

There are strong rumours in Europe that the Reds are about to sell Sadio Mane to Real Madrid for £150m.

And they would use that money — plus another £100m — to get Mbappe from Paris St Germain to replace him. The sticking point is the 21-year-old's massive wages.

He trousers around £400,000 a week in the French capital and wouldn't want to take a drop to sign for the Reds.

But he is already closely linked to Nike who are taking over the kit deal at Anfield at the end of this season.

Reports in Europe suggest they could pay as much as half his wages to allow Liverpool to keep their existing wage structure.

Mbappe has long been linked with Anfield and is thought to be keen on the move.

Stars

Losing Mane would be a massive blow to Jurgen Klopp and the Liverpool faithful but bringing in the young Frenchman would surely cushion that blow.

It would also help the Reds to keep other stars like Mo Salah and potentially attract others.

Real boss Zinedine Zidane is a massive fan of Mane and has made him his No1 target when the transfer window opens again.

The Senegal forward has become Liverpool's deadliest player but he is 28 and cost a cut-price £34m so the club would be making a huge profit on him.

The Reds are reportedly pocketing £100m year a year from their new kit deal with Nike.

Spending just one season's bonus on Mbappe would still leave enough in the pot to bring in Klopp's other major target — German ace Timo Werner from Red Bull Leipzig.

They have cooled their interested in Borussia Dortmund and England wide man Jadon Sancho who is thought to prefer Manchester United.

There is still a chance Philippe Coutinho will return from Barcelona but that is looking less likely than the other deals going through.

TARGET: Timo Werner

SOUNESS FUMES AFTER POGBA

PUT YER MEDALS ON THE TABLE!

By JOHN ANTHONY

GRAEME Souness has stepped up his furious war of words with Paul Pogba—saying "put your medals on the table".

The Liverpool and Rangers legend bit back after the Manchester United star claimed he didn't know who his No1 critic was.

Souness has been on Pogba's back ever since he returned to Old Trafford for almost £90m in 2016.

And the Frenchman says he pays little attention to the fiery Scot — and didn't even know who he who he was by name.

Pogba said: "I heard he was a great player and stuff like that. I know the face but not the name.

"Like I said I'm not someone that watches a lot of pundits, I watch a lot of football but I don't stay after the game to listen to what they say about why they did this, or why they did that. I like to focus on football."

That comment did little to please Souness who is not good at hiding his anger when appearing on the box.

The Scot won three European Cups, five league titles and three League Cups in a Liverpool shirt.

He also won a UEFA Cup as a youngster with Spurs, an Italian Cup at Sampdoria and a Scottish title while player-manager of Rangers.

That's a much bigger haul than Pogba — although he did win the World Cup with France in 2018 which pretty much trumps the lot.

Respectful

Souness said: "The oldest football in saying comes to mind: 'Put your medals on the table'. I've got a big table."

Another Liverpool legend — Jamie Carragher — joined in the pile-on.

He said: "We're quite critical of Paul Pogba but I think when you're a player you've got to be respectful, certainly of certain former players with certain opinions.

"At times you have to take that criticism on the chin.

"So for Pogba to come out and say he'd never heard of Graeme Souness, I thought really was below the belt."

Pogba has been a bit-part player for Manchester United this season having not played since Boxing Day.

He has had foot surgery and should be ready to go whenever the Premier League starts again.

And the man himself says the media can't stop talking about him despite his absence from the pitch.

Pogba added: "I guess they

SAYS HE DIDN'T KNOW WHO HE WAS!

CHALLENGE: Souness

HAVE A LOOK AT WHAT YOU COULD HAVE WON: Pogba has his World Cup win over Souness

miss me, I don't know? I'm not someone that looks always at Sky Sports News.

"After the games, when I watch it again I watch the game, not the comments.

"When you know football, you don't need someone to tell you what's happening."

Speak

"One day maybe I will meet them and ask them because I really want to know why.

I am doing my recovery, I can be somewhere else and I hear something but I'm just doing my recovery, you know?

"If they want to speak they are allowed to speak, it's their job to speak.

I am used to it now. I am really used to it, it doesn't bother me.

"It's good to hear good stuff instead of bad stuff but when you play football, you know yourself.

"It's what your manager and team-mates want, the rest is just talk. It's selling stuff I think."

Pogba has perhaps been a little too honest this week — admitting he was a boyhood ARSENAL fan.

He said: "At the start, I was an Arsenal fan – obviously because of all the French players, you know.

"I couldn't say anything so I used to love Thierry Henry and, because of him, I was an Arsenal fan."

Giggs: I almost left Old Trafford

RYAN Giggs says he almost left Manchester United in 2003.

The Reds legend clocked up an amazing 927 appearances for the Reds between 1991 and 2014.

But he could have signed for Inter Milan a full ten years before he pulled on a United shirt for the final time.

The Welshman was told either he or David Beckham would be leaving Sir Alex Ferguson's side.

That would have been a shock to United fans who weren't happy when the No7 went to Real Madrid that summer.

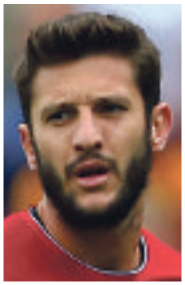
It could have been Giggs, who admitted: "At the start of every season, I thought there was a challenge. Whether it was defending the league, winning the league back or targeting the Champions League. There was always a challenge.

"Around 2003, the summer that David Beckham left, there was talk of me going to join Inter Milan.

"I ended up doing okay that season, but there was serious talk of one of us going and it was either me or David.

"He ended up leaving. That was the closest I ever got to leaving Old Trafford.

"I never wanted to leave. I always loved playing for Manchester United."



GOING: Adam Lallana

Toon and Foxes in fight for Lallana

ADAM Lallana is the focus of a battle between Leicester and Newcastle.

Both clubs are keen to sign the midfielder on a free when his contract with Liverpool expires at the end of the season.

Kop boss Jurgen Klopp has made no secret that he would like the 31-year-old to stay at Anfield.

But he would only be a fringe player and has no interest in signing a new deal at the Premier League leaders.

Now Leicester and the Toon would like to make him a summer signing.

Newcastle boss Steve Bruce is on record as being a big admirer of the England international and he would be guaranteed game time at St James's Park.

But Leicester gaffer Brendan Rodgers took him from Southampton to Liverpool in the first place and is thought to be winning the chase.

The Foxes chief said: "Adam's a fantastic player.

"He's someone I brought into Liverpool and I've been aware of his talents since he was a young player at Southampton.

Deal

"He's at the stage where he's done brilliantly there and I'm sure he'll be weighing up all his options."

Newcastle have other transfers in mind and will try to make their loan deal for Danny Rose permanent.

They also have their eye on Bournemouth schemer Ryan Fraser who is out of contract this summer.

Arsenal and Liverpool are also thought to be interested in the Scotland international so that looks a tall order.

Veteran Olivier Giroud is another target as Bruce tries to add goals to his stuttering forward line.

At the moment he is relying on Joelinton who arrived from Hoffenheim for a hefty £40m last summer.

He is on more than £100,000 per week — making him the top earner in Toon.

The 23-year-old is clearly a work in progress but Bruce would have expected more than a paltry three goals in 34 appearances for his star number nine.

He is hoping the arrival of a more experienced hitman like Giroud would bring the young Brazilian along.
